

HSEQ Policy**HSEQ Policy of Jutlandia Terminal A/S and Seaport Stevedoring ApS**

JUTLANDIA Terminal A/S and Seaport Stevedoring ApS are major suppliers of logistics- and service solutions to the offshore and shipping industry.

We are fully aware of the obligations laid on us legally as well as ethically. It is our policy always to be committed to safeguard the safety, environment and quality by conducting our business in a respectable manner according to this.

In following this HSEQ policy JUTLANDIA Terminal A/S and Seaport Stevedoring ApS will commit oneself to:

- Ensure our operations always are in accordance with internal, legal as well as costumers requirements related to HSEQ aspects.
- Always deliver products and services to our costumers in a high quality and respect to HSE.
- Train and motivate our employees to identify unsafe conditions and behavior and to react to these conditions.
- Perform internal HSEQ audits and inspections related to our activities based on our internal procedures and according to legal requirements.
- Work determinate to secure that Jutlandia Terminal A/S and Seaport Stevedoring ApS continuously remains a good and secure place to work.

This policy shall be communicated to all employees and clients and will be subject to management review to ensure continuous effectiveness.

Jesper Børsmose
